

Nutritional Foundation

How Does Your Multi-Vitamin Compare?

Nutritional Foundation:

Formulated for **ages 12 and over**, simply adjust the dosage

Uses **patented Albion chelated minerals**:

- Very highly absorbed
- Safer to take
- Very well tolerated (no G.I. upset)
- Able to cross the placental barrier (great prenatal)
- Offer enhanced physiological benefits

Capsule Delivery System provides:

- Faster delivery
- Better bioavailability and absorption
- Higher ingredient activity levels
- No fillers and binders
- Easy to swallow

B-complex is balanced similar to the ratios found in nature

Provides **N-Acetyl-L-Cysteine** to break up mucus and neutralize the by-products of smoking in the lungs

Has a **complete digestive aid**

Has **whole food concentrates**
